INTERNATIONAL CONFERENCE ON FUTURE HEALTHCARE AND ECONOMIC DEVELOPMENT

Call for Participation in 2019 FHED II

The 2019 Conference Committee cordially invite you to participate the “**2019 International Conference on Future Healthcare and Economic Development (FHED) II**” at the National Cheng Kung University(NCKU), Taiwan, **November 8 - November 11, 2019**.

This International Conference is executed by Medical Device Innovation Center(MDIC) NCKU, an innovative medical device engine in Southern Taiwan, aiming to promote healthcare innovation and provide multidisciplinary training courses to young scholars, physicians and researchers. In the conference, the participants will be introduced Medical Technology innovation practice through seminars and workshops on healthcare technology design, regulation, commercialization, entrepreneurship and industrial perspectives. Participants will be working in teams to solve medical unmet clinical needs and healthcare issues by brainstorming and combining their expertise in various fields of healthcare development. By doing this, the conference also creates a collaborative forum by bringing together young researchers, educators and physicians from around the world. More conference information regarding tentative program should be accessed through 2019 FHED II official website (<http://2019fhed-2.mystrikingly.com>).

For further inquiries, please contact the Conference Secretary Ms. Bu & Executive Secretary Ms. Liao at gaia.ncku@gmail.com.
